NIKOLAUS MELLER
DESIGNER

International furniture designer, craftsman and sculptor Nik Meller has trekked through jungles, up mountains, through deserts and cities. Living in London, Munich, Boston, New York, Los Angeles and Portland exposed the artist to many ways of life that are rich in history, art, culture and nature. This spirit of adventure led him across Eastern and Western Europe, the Middle East, North & South America and Asia. His work is infused with a rich and complex artistry that comes from a global perspective and appreciation of the world's natural beauty.
